nd prospects mere than fifty riots. Not conof the then already declinang old party organitent with having incited their "well-armed"
an liarre to the commission of the bloody orolence that produced most terrible outrages and
oleft a stant upon the fair fame of Louisville,
they have, ever nuce the election, made every
possible effort to bring about another calamity
scarcelyles deplorable and far more destructive
possible effort to bring about another calamity
scarcelyles deplorable and far more destructive
they bave, ever nuce the election, made every
possible effort to bring about another calamity
scarcelyles deplorable and far more destructive
they bave, ever nuce the election, made every
possible effort to bring about another calamity
scarcelyles deplorable and far more destructive
they bave, ever nuce the election, made every
possible effort to bring about another calamity
scarcelyles deplorable and far more destructive
they have every in the city. Finding that the
truth when told would fasten upon the foreign
party the stigma of having commenced the rods,
the carnage, and the desolation which prevailed
here on the 6th of August, they have endeavored to hide their own conscious guiltiness and
to palliate and even justify the murderous attacks of their Say Nestu minion upon peaceable and unodereding clizens, by exaggerating in
the muscland personage on question.

All enter hopes of political preferments
in the round that their own conscious guiltiness and
to palliate and even justify the murderous attacks of their Say Nestu minions upon peaceable and unodereding clizens, by exaggerating in
the most rideory and the desiration for
fifee, all their hopes of political preferments
the running as to the true cluraction of their foreign and
to publical and even justify the murderous attacks of their Say Nestu minions upon peaceable and unodereding clizens, by exaggerating in
the most rideory proceedings of these
whose friends had been rubhlessly shot down by
the Germans and Irab. Nor-have they confined
themselves to merce exaggeration. The us falsehoods, horrible statements, without intest shadow of successful and instituted signs and instituted signs and the faintest shadow of truth, have gone abroad suade and frighten away a large portion of our hants and manfaturers. Either intenes, or recklessly, withese enemies to the prosperity of Louisville, by which it could, by any possibility, he seriously injured. Awful indeed must be the reflections them into existence and given them the strength right fal-choods which have been thus thrust on the public. We do not wish to devote or our city shall be vindicated—that it shall not uct. It is true that a terrible riot occurred dation stalked frightfully through our streets. to impress this fact upon all within the in-

es occasioned by the sho t crop of last year gun. Industrial pursuits of every description are thriving, our manufacturers are prepi to supply every demand for their productions. and our merchants are supplied with full stocks of every description of goods, and are busly tions may reach is that they will pay us a visit marchants as polite, attentive, and accommodaOUR LINEW Bod a dark blowers.

Habunavitan, Ky , August, 1855.

the editor of the Democrat made a aeandalou-Masons, Odd-Fellows, S us of Temperance, &c. He called their consultations "works of dark-ness," and stigmatized their lodges as the resort actuated by pure and virtuous principles, and are for the most part among our best and most esteemed citizens. The editor of the Democrat

To be consistent, the editor of the Journal should publish a leader sympathizing with the negroes of Jasper country, Miss., in their failure. They organized a secret society, having for its object the accomplishment of their freedom. This was to be done by murder, arson, and realthers.

editor of the Democrat has been induced to l'emperance upon a par with an insurrection of | maerable negro slaves in Jasper county, Miss., inless it to from his familiarity with the horrible reparations in the Sag Nicht secret meetings for bery." We have seen no account of the negro surrection to which the Democrat alludes, bul we doubt if the wickedness designed by these negroes is more horrible than the crimes which the Sag Nichts in their secret meetings are

A NEW BOOK BY THE AUTHORESS OF All the new books of the day may be

bled. Day after day and might after night has been strongly a strongly and might after night has been strongly as the citizens were attacked and overpowered by aumbers of foreigners and cruelly beaten or undered merely because they seem native-born more than the series and cruelly beaten or undered merely because they seem native-born more than the series and cruelly beaten or undered merely because they seem native-born more than the series and cruelly beaten or undered merely because they seem native-born more than the series and cruelly beaten or undered merely because they seem native-born more than the series and cruelly beaten or undered merely because they seem native-born more than the series and cruelly beaten or undered merely because they seem native-born more than the series and most afterwards attempted to do ert his mission. If this sent in talk has any significance, it is a without knowing his name or his research continuous in the series and cruelly beaten or anything else pertaining to him, because it may be practiced with impunity; there is the series and cruelly beaten or anything else pertaining to be underthey account the series and most steed as meaning one of the oblest and most steed as meaning one of the oblest and most steed as meaning one of the oblest and most steed as meaning one of the oblest and most steed as meaning one of the oblest and most steed as meaning one of the oblest and most steed as meaning one of the oblest and most steed as meaning one of the oblest and most steed in the citizens of Louisrille, and yet in a steed as meaning one of the oblest and most steed as meaning one of the oblest and most steed as meaning one of the oblest and most steed as meaning one of the oblest and most steed as meaning one of the oblest and most steed as meaning one of the oblest and most steed as meaning one of the oblest and most steed as meaning one of the oblest and most steed as meaning one of the oblest and most steed and most steed as meaning one of the oblest and most steed as m

Order is to put down the infamous demagogue-ism of the old political parties by which good able citizens; and now, without knowing his thy of whose names and characters nen have almost invariably been thrust aside, hame or his residence, they call him a "rascal" and nearly every office of honor or profit in the pupertionably they owe it to the public to set. The Times teaches us that is violations, like with rile, unprincipled political bucksters, upon which they sidently assured their readers between the seeding and the harvest; and, arthur principle alone, that "othice should seek that their informant was one of our most re- cording to it, two years seems to be the period The course recently pursued by the man and leaders of the Anti-American parint this city is calculated to injure its trade prospects mere than fifty riots. Not contained their well-armed with having incited their "well-armed" attions, for they well knew, that, undersuch reset that produced most terrible autress and of unserquations. This is the man and not the man the office" drew upon the forest the factors and the resultant was one of our must respectable citizens and to state as explicitly in the second place the evidence upon which they stay organizations, for they well knew, that, undersuch regulations, where merit, instead of unserquations of the true character of the real coording to it, two years seems to be the period of maturing a Freeson revolution. Thus it is second place the evidence upon which they stay organizations, for they well knew, that, undersuch regulations, where merit, instead of unserquations.

The continuous treatment was one of our must respectable citizens and to state as explicitly in the second place the evidence upon which they stay organizations, for they well knew, that, undersuch regulations, where merit, instead of unserquations.

by solemn obligations and instituted signs and grips as a means of mutual recognition, not with the view of attaching themselves more firmly to the principles which they advocated, but to protect their organization from the mordious giles of imprincipled traitors. But, like the glorious particles of 1776, whose principles we adopt, whose virtues we strive to emulate, our party has already gained sufficient attength to bid defiance to the motley host arrayed against it, and has made to the world a declaration of its principles and purposes. Its members have to need to resort to violence except to repel violence which may be offered to them by those will may be offered to them by those which may be offered to them by those which may be offered to them by those will now few hills the principles and purposes. The neither present the principles will not be ensurable to gratify the avarice and malignity of the first they are now and the smallest chance of legal redress when their lives and property have recently been sacrificed by will doubtless be delighted with this exhibition of Freesoil patriotism and pugnaciousness; and, when election day comes round again, Congress which may be offered to them by those who leave sworn, as the Sag Nichtshave, to aim themselves the principles.

The paragraph above is from the Democract.

The paragraph above is from the Democract.

our countrymen who understand it, and the read it attenurs in the spready reastablishment of those pure and patriotic principles upon which our Republic was founded, and for the maintenance of our Constitution and the Union by the realization of the political axiom that "Americans shall rule American."

The editor of the Democrat asks if it is the property of the Memocrat and the read it attenurs of the political axiom that the whole mass of the foreign-born population are told through the columns of the Democrat asks if it is that their numberly and their types are not safe. The editor of the Democrat asks if it is that their property and their lives are not safe all atrange that the foreign-born citizens are here for a moment, that they cannot be alowar at gentlemen from both sections of the country anxious to leave a city where they are regarded inght with any reasonable assurance that their indulge in the dangerous game of sectional exas they are in Louisville. But is it not a fact, houses and themselves will not be burned before entement until the hat, with the single exception of the Louisville morning, that there is no more law to protect country shall rebuke them into silence; but that Journal, all the political papers in the city, them here than there would be in a cave of picture. ted to suffer from such infamous con a teach that the foreign-born are by far the best sons for their namediate enigration to some other from such infamous con a teach that the foreign-born are by far the best sons for their namediate enigration to some other from such infamous con a teach that the foreign-born are by far the best sons for their namediate enigration to some other from such infamous con a teach that the foreign-born are by far the best sons for their namediate enigration to some other from such infamous con a teach that the foreign-born are by far the best sons for their namediate enigration to some other from such infamous con a teach that the foreign-born are by far the best sons for their namediate enigration to some other from such infamous con a teach that the foreign-born are by far the best sons for their namediate enigration to some other from such infamous con a teach that the foreign-born are by far the best sons for their namediate enigration to some other from such infamous con a teach that the foreign-born are by far the best sons for their namediate enigration to some other from such infamous con a teach that the foreign-born are by far the best sons for their namediate enigration to some other from such infamous con a teach that the foreign-born are by far the best sons for their namediate enigration to some other from the foreign-born are by far the best sons for their namediate enigration to some other from the foreign-born are by far the best sons for their namediate enigration to some other from the foreign-born are by far the best sons for their namediate enigration to some other from the foreign-born are by far the best sons for their namediate enigration to some other from the foreign-born are by far the best sons for the foreign-born are by far the best sons for the foreign-born are by far the best sons for the foreign-born are by far the best sons for the foreign-born are by far the best sons for the foreign-born are by far the best sons for the foreign-born are by far th

the true that a terrible rot occurred pon the day of the election, that mob law or some hours supreme, that carage and most honorable portion of our populations, at most lameatable outrages were compared to staked frightfully through our streets, at most lameatable outrages were compared to staked frightfully through our streets, at most lameatable outrages were compared to stake differentially through our streets, and most honorable portion of our years are not statisfied with the estimate in which they are held in a city where all the uewspapers but one are their obsequious fatterers, enlogizing them as incemparably superior to the sons of the wil, where on earth do shelves that these frightful occurs ever best of abort describes, and are deeply seed by the great mass of our citizens. We to believe that such will ever again take to Louisville. The terrible demonstrated these riots that such with our same time the attention some other replace.
